With thanks for the support of the following media:

Friends of SAW

The Friends of SAW are highly valued by us, not only through subscriptions but also through the way in which their support helps underpin the whole organisation. Our Friends help bridge the gap between the private world of the artist and the public forum, through activities such as supporting training programmes for artists and sponsoring projects and events.

We would like to say a big thank you to all of our Friends. This year the Friends of SAW have kindly sponsored our young graduate artist Laura Rouse whose work is being shown in Langport and at King's College Taunton during Art Weeks. Laura joined SAW in April 09 to support the organisation of Art Weeks and develop her artistic practice in a new training programme developed by SAW. Funding from The Friends has made this possible and our special thanks go to.....
